Logistics Modernization Team

Information brief for CSS Advocacy Board

1-3 February 2005

BACKGROUND

- Field Supply and Maintenance Analysis Office (FSMAO) mission of compliance inspections was changed FY-03.
- Concept changed the mission of FSMAO teams to become Log Mod Teams. (LMTs)
- Cognizance over LMTs shifted to LPV in 4th Qtr FY-04

TRANSITION CONCEPT

- Transition Concept

  Refocus the LMTs as change agents to ensure LM initiatives and GCSS-MC are implemented in support of Expeditionary Maneuver Warfare and Sea Basing.

- Scheme of Maneuver – Train LMT Marines in process analysis to better support the fielding of GCSS-MC.

TRAINING SPECIFICS

Logistics Modernization Teams are being trained to :

- Act as tactical level change agents.
- Educate and train MEFs on Log Mod initiatives.
- Provide support to GCSS-MC SMEs & Log TTF.
- Next training block is Feb 05, Jacksonville NC.
- Support MEF LM “bridge” initiatives

SAMPLE LMT PROJECTS

LMT-East

- **Battlefield Command Sustainment Support System (BCS3)**
- **Arena Software Program**
- **A2P to SASSY/ATLASS/PC-MIMMS Conversion**

LMT-West

- **Marine Corps Tactical Wireless Logistics (MCTWL)**
- **1st FSSG Expeditionary Warfare Template (EWT)**
- **Process Reengineering w/l 1st FSSG RIP**

LMT-WestPac

- **Forward Stocking Initiative (DLA)**
- **Forward Depot Maintenance**
- **Joint Equipment Storage Program (JESP)**

KEY TAKE AWAYS

- LMT is invested with…
  - … personnel depth
  - … extensive analytical training
  - … decades of experience
- In order to identify seams and gaps in logistics processes …
- Ultimately to best facilitate the delivery of GCSS-MC to the MEF/Operating Forces
